

The diagram is shaped like a house. The roof is a blue triangle containing the text 'Selbstbestimmung, Resilienz, Lebenszeit'. The main body of the house consists of three vertical rectangular columns of different colors: light blue on the left, light teal in the middle, and light green on the right. Each column contains a vertical text label: 'Prävention', 'Aufklärung', and 'Netzwerk' respectively. At the base of the house is a wide, solid orange rectangle containing the text 'Projekt "Auszeithaus"'.
